# The Ivy School at Jackson Elementary

Thank you for your interest in The Ivy School for the 2021-2022 School Year! Registration is currently open. Here is some information and guidance for the next steps to support this process.

The Ivy School at Jackson Elementary is a satellite campus of The Ivy School @ Kid Time Children's Museum. Our main campus is inside the Kid Time Children's Museum at 413 W Main St, Medford, Or, 97501. As a satellite campus inside an elementary school, we are in a unique position to both be a part of a larger community and have our own isolated classroom to support our preschool students.

Here are some things to note:

- The Schedule for our Satellite campuses are M-F 8:00-2:00 with an early release on Wednesday at 1:00.
- Lunches and Snacks are provided by the Medford School District. You are welcome to send your child with their own snacks and lunch, however we do ask that you make sure they contain all the food groups.
- Preschool classes have their own bathroom, indoor and outdoor classrooms, and are generally kept separate from the older elementary students.
- Satellite Campuses have both Medford School District supported slots as well as Preschool Promise Grant slots.
- Satellite Campuses align with the Medford School District closures, including snow days, holiday closures, and inservice days.

**We have two different scholarship opportunities to support your family at our Medford School District Satellite Campuses!**

- MSD Connects Preschool Scholarship: This scholarship has a sliding scale to better help support more families, as well as the ability to take family circumstances into consideration. This scholarship also has flexible attendance if needed.
- Preschool Promise Grant: For those that qualify, this grant will provide FREE preschool! This grant has strict financial, age, and geographic requirements, as well as attendance requirements.
